# Diamond Chase Draw-Bar Series

The Diamond Chase Draw-Bar frame has been an industry standard for decades. It is a precise, self-stretching, re-tensionable screen frame, designed for the closest tolerance and tightest registration applications. Mesh tension can be adjusted on each frame side with bolts spaced every six inches (custom spacing also available).

## FEATURES

- Retensionable for extended fabric life
- Manufactured to custom specifications
- +/- 1 N/cm accuracy in tensioning
- On press micro-registration capabilities
- Fully welded, guaranteed watertight for life
- Frame guaranteed for life against workmanship defects
- Replacement parts/rebuilds available
