DOUTHITT Heavy Duty Screen Inspection Table

The DOUTHITT Heavy Duty Screen Inspection Table is an easily adjustable illuminated inspection table that is designed to last.

The tilting top, adjustable up to 70°, and adjustable screen bar means screens can be inspected at the ideal position for the comfort and efficiency of the user. With the flip of a switch, the uniform, non-glare built-in fluorescent lamp can be adjusted to either soft or bright illumination.

The all heavy gauge welded steel construction also makes this one of the strongest, and most durable screen inspection tables on the market.

FEATURES

- Opalescent plexiglass under top glass ensures uniform illumination
- Top glass is polished plate glass, easily replaced by any local glass dealer
- Adjustable floor leveling screws
