DOUTHITT Model DMZ Screenmaker

The DOUTHITT Model DMZ is a heavy duty automated direct method screenmaker that includes the DOUTHITT Heavy Duty Model MAGIC 83 10 channel memory combination light integrator and digital timer.

The Model DMZ features a self-contained 5,000 Watt metal halide printing lamp assembly complete with special exhaust system. Additionally, finger tip control of the blanket frame is achieved by an exclusive patented spring and fulcrum system that also clamps automatically. The integrated DOUTHITT “Deep Draw” Black blanket allows for virtually unlimited screen heights, and is designed to hold positives in perfect contact.

An instrument panel is conveniently mounted on the side of the unit, complete with bleeder valve.

FEATURES

- Automated start and cancel
- Easy loading height
- Guaranteed coverage
- Reduced floor space
- Self-contained light source
- Glass-down design
- Heavy duty vacuum pump and motor
- Cooling fans to prevent excessive heat build up
- Heavy gauge metal construction
