# Dynamesh DYNACHEM Haze Remover

DYNACHEM Haze Remover is a ready-to-use haze remover that can be used to dissolve all ink stains, emulsion/residue stains, and ghost images from screen printing mesh.

It dissolves stains quickly (1-5 minutes)—much faster than many conventional stain removers.

## FEATURES

- Low odor
- Works on all types of ink stains
- Ready-to-use and stable—won't separate
- A reduced hazard chemical, promoting a safer work environment
