# Grünig G-WASH 112 “Plug & Strip” Decoating Machine

The G-WASH 112 is an automatic screen decoating machine that is based on Grünig’s latest “Plug & Strip” easy setup technology. Simply unpack, setup, fill, and start decoating.

The G-WASH 112 contains a high-pressure pump for fast, excellent decoating results. It is safe to operate due to its enclosed construction and V2A stainless steel materials.

It also features a touchscreen control panel with 50 available programs.

## FEATURES

- Four standard sizes, up to 55" x 71" (1400 x 1800 mm)
- Automatic decoating and degreasing
- Internal Recycleclean and fresh water buffer tank
- Top quality at a competitive price
- Grünig’s special easy-to-maintain 2VA stainless steel nozzles
- Low-maintenance and user-friendly concept
