

product solution

RhinoTech SW 175™ Screen Wash

SW 175 is a water-soluble, multipurpose screen wash designed to work quickly on UV, solvent-based, mylar and epoxy inks. It evaporates slowly for maximum yield, while cleaning large screens without leaving any solvent residue on the screen. SW 175 is ideal for efficient and expedient screen washing after the press run.

FEATURES

- Has a higher flash point than lacquer thinner, alcohols, ketones
- Recommended for manual or automatic equipment
- Biodegradable and environmentally friendly
- Non-toxic

PURCHASING OPTIONS
